Ok I will call the travel agent and try to arrive earlier on Monday. My flight out is on Thursday morning at 6:25 am. I had thought we were driving up into Bakken on Tuesday and Wednesday.

2:40 does not leave much time to do much more than drive on Monday.  
I had planned on viewing the SDS facility on Monday, which is about 2 hours from Bismarck, close to when I would expect they close.  
Newtown is another hour and a half from Sawyer, or 2.5 hours from Bismarck.

If you can get here earlier, it would be better. there is a lot of miles and a lot of sites.  
Also, what time on Wednesday is your flight out?
